

**PRESS RELEASE**Copenhagen, Denmark. March 31<sup>st</sup> 2014**ATP Private Equity Partners announces final close of new €800m fund**

ATP Private Equity Partners (“ATP PEP”) is pleased to announce the final close of ATP Private Equity Partners V K/S (“ATP PEP V”), with subscriptions of €800m. ATP PEP is the private equity arm of ATP, Denmark’s largest pension fund, with €80bn in assets under management. Torben Vangstrup, Managing Partner, ATP PEP: “We are excited about the launch of our fifth fund, and very pleased by the continued backing from ATP. We look forward to investing with our existing General Partners and in selected new ones”.

The investment strategy for ATP PEP V will be the same as the ATP PEP funds I-IV, targeting a diversified portfolio of fund commitments within the Buyout, Venture Capital and Distressed segments. Consistent with prior funds, ATP PEP V will have an increasing focus on co-investments with General Partners of the ATP PEP portfolio. The geographic focus of ATP PEP V will continue to be Europe and North America, and select commitments in the rest of the world.

For the second consecutive year, ATP PEP was recognized as the “Most Consistent Performing Fund of Funds Manager” in the “2014 Preqin Global Private Equity Report” with three funds ranking in the top quartile. Torben Vangstrup: “I believe our consistent outperformance is a result of our excellent team work, disciplined investment process and the strong relationships we have with ATP as well as our portfolio of General Partners”.

ATP PEP V will begin making commitments with immediate effect.

**About ATP Private Equity Partners**

ATP PEP was founded in 2001 and is one of Europe’s largest institutional investors in private equity funds. Including the new fund, ATP PEP actively manages €7.7bn on behalf of ATP.
